

Grow Thru **Simplicity**

Your Trusted Partner for Customized Business Solutions

EXCEEDING EXPECTATIONS, DELIVERING EXCELLENCE

Fortuna is a globally recognized veteran-owned professional services firm that specializes in delivering exceptional solutions to organizations across various industries. With our extensive experience and dedication to excellence, we offer a comprehensive range of services designed to meet our clients' unique needs. Our strength lies in assembling teams of experienced professionals with a special passion for providing great job opportunities to transitioning military veterans.

OUR WORLD CLASS SERVICES

Contact Center Solutions

We are your turnkey, managed service provider for contact centers. We handle all aspects of customer service so you can focus on your core business. Just tell us the problem you need to solve, the number of agents required, and we will build, manage, and deliver tailored solutions to meet your specific needs.

IT Services

Our IT Services are tailored to deliver results. With an outcomes-based approach, we analyze how processes impact your desired outcomes. Everything from business analysis to IT consulting, digital transformation, systems integration, data analytics, change management, and IT strategy development.

Staffing Partner

We deliver customized teams. From individual experts to small boutique tiger teams to large-scale teams of up to 300 people in just 72 hours. Our services include managed staffing and direct placement solutions.

Customized Business Solutions

From Custom Software Development to Project Management and implementation, we understand that every business has unique needs and challenges, and we are committed to providing tailored solutions that perfectly cater to your requirements.
